

Mrs. Esther Baldwin - 1106 - 3rd Ave.      Interviewed April 13, 1972.

Born in Ontario, came to Richmond in 1907 with parents and younger brother Percy who was 6, from Calgary - Father worked in Hunt's Store Corner 2nd Ave. and Moncton St. - store sold to Walker - then worked at Tom Leslie lumber yard (lumber from Eburne Sawmill) - then foreman on roads for municipality, Ward 3.

Esther 12½ years when came - attended Steveston School - then 1 year at Bridgeport School on interurban tram - Steveston teachers: Mr. Davidson, Miss Champier who married Carvel Steves - at Bridgeport had Mr. McIlveny or McIlveny and Miss Estabrook, just 2 rooms.

-relates incident re noon time walk to find old man and delay on Lulu to Sea Island Bridge - water supply shut off when boatthrough - got rain water in 2 barrels - new shingled roof so couldn't use that water - ditches all too alkaline to use - brother and Esther took 10 pound lard pail and smaller one and dipped water from Fraser River for Mother for wash water - got 1 pail daily drinking water or cooking - from old lady in Steveston Mrs. McDonald who lived on 2nd Ave. in house of which front had original Post Office - Parker ran Post Office - hot summer - had padlock on water tank, water stolen - Mother boiled river water for drinking, cooking - 1st summer recalled family walk up dyke past No. 5 Rd., brother thirsty - asked old man for drink shouted her down, offered drink of milk.

-through misunderstanding electricity not in home until 1917, paid deposit much earlier - lived along railroad, near Garry St. - father looking for land for market gardening but had to compete against Chinese who had land along River (now full of mills) - only land, dyke around Island when father came - using floating dredge to build permanent dykes land under water so chose land high and dry by Railroad track - finally sold home,
